RYE NICHOLAS P. LAO GUICO

Cebu City, Cebu, Philippines laoguicorye@gmail.com 09274303115 in/rye-nicholas-lao-guico-78a0b11b9

SUMMARY

Results-driven Bachelor of Science in Information Technology student with hands-on experience in leadership, project coordination, client communication, technical workshops, and real-world system development. Proven ability to lead teams, organize high-impact events, manage stakeholders, and bridge technical and non-technical communication. Built multiple software systems across booking platforms, marketplaces, business websites, and university operations. Seeking opportunities in project management, business analysis, operations, product coordination, or client-facing technology roles.
